HOW-TO GUIDE

Thank you for being a Hunger Hero! Thousands of families turn to our Food Bank every week for food. You can't always tell by looking at someone if they are hungry – there could be people at school, at the park, and in your neighborhood that need help getting enough food. With your help, we're one step closer to ending hunger in San Francisco and Marin. The money you raise from your lemonade stand will provide food for kids, seniors, and families right here in our community.

WHAT YOU NEED

- Your parent or guardian's permission*
- Table*
- Pitcher*
- Ice*
- Lemonade*
- Cups*
- Optional: straws*
- Cash box with change,
or a parent or guardian's mobile payment service
(Venmo, Zelle, etc)*
- Tip jar*
- Flags and signage to decorate*

*Every \$1 you raise
= enough food for 2 meals!*

TIPS

1. A great spot for your lemonade stand is on a corner with a lot of foot traffic or at a park. You could even consider hosting a stand at your school if the school says it's okay. Bonus points if there's an event or if the weather is good!
2. When people want to know more about the San Francisco-Marín Food Bank, you can tell them:
 - *Thousands of families get fresh groceries from the Food Bank every week.*
 - *Most of what the Food Bank gives out is fresh fruits and vegetables.*
 - *The Food Bank can turn \$1 into enough food for 2 meals.*
3. After your lemonade stand, make sure you clean up!
4. Ask your parent or guardian to write a check for the money you raised and mail it to us, or to donate an equivalent amount online. **Do not send us cash through the mail!**
5. Donate online at sfmfoodbank.org/donate
6. Put checks in the envelope included in this packet, or in any other envelope, and mail it to us:

Parents' Corner

Thank you for helping your child host a lemonade stand to benefit our Food Bank! This activity is a great way to engage your kids in volunteering and giving back to their community.

Our mission is to end hunger in San Francisco and Marin. We couldn't do this work without the support of people like you. Last year, more than 50,000 households received fresh, nutritious groceries through our services.

We are grateful for donations of any size. We can turn \$1 into enough food for 2 meals – that means that if your child raises \$10, they will provide 20 meals for their neighbors!
